

Natural Gas Customers

**If You Ever Smell Gas Call Us Immediately at 229-248-2014
City of Bainbridge**

Natural Gas is odorless in its natural state; therefore, a chemical is added which allows you to smell it. Gas leakage may occur from faulty appliances, loose connections, service lines inside or outside of your home, or from gas mains. Leaks can be dangerous, and should be dealt with promptly by people who are trained in this field.

If you ever smell gas, even if you don't use it in your home, take these precautions promptly. You may also hear a hissing noise coming from gas lines going to appliances or near gas meters.

1. Call City of Bainbridge at: 229-248-2014 or 229-248-2025 immediately or in an emergency call **9-1-1**.
2. If odor is very strong and you are indoors, open windows and doors to ventilate. Go outside. Call us from a neighbor's house.
3. **DO NOT TURN ANY ELECTRICAL SWITCHES ON OR OFF, OR USE THE TELEPHONE. LEAVE IMMEDIATELY AND DO NOT RE-ENTER UNTIL NOTIFIED BY GAS DEPARTMENT PERSONNEL THAT EVERYTHING IS OK.**
4. **DO NOT** light matches, smoke cigarettes, or create any other source of combustion.

**HOWEVER SLIM THE CHANCES, IT DOESN'T PAY
TO TAKE CHANCES.**
